It has been a busy couple of weeks in Banham School! As we get closer to the end of our summer term, lots of fun trips and activities have been organised and with the sunshine on our side, it is keeping the children happy and motivated during this last term.

Robins garden is looking beautiful, and the children are getting good use out of it, it's hard to believe they will be in year 1 soon as we welcome the new Robins into the school this week. Robins also had a wonderful time in Forest School this week.

Wrens had a wonderful time visiting Framlingham castle! These quotes from the children are priceless:

"I want to come back again tomorrow."

"I don't want to leave."

"I am asking Mum if we can come back."

"We are walking on the same steps as royalty and Lords and also the very poor."

"From the top everything looks small because we are so high up."

"They would have been able to see attackers from really far away."

"The steps are much smaller than my house."

"The rich people had really colourful clothes."

"I wouldn't want to be poor they had no food."

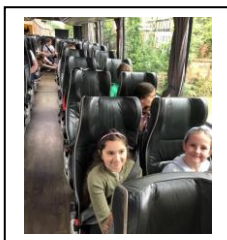

"I think there are lots of fields so they could put their animals on them and grow lots of food."

Skylarks also had a fun field trip to Gressenhall Farm & Workhouse dressed in WW2 evacuee theme clothing. They had the opportunity to take part in re-enactments which gave them a true understanding of that period.

Swifts have been away for their residential this week in the beautiful Roots & Wings Forest.
