14th October, 2022

Robins have had quite an exciting couple of weeks! We wrote a letter to Spider-Man and Wonder Woman requesting their help in finding out which foods were really good for them and which they should only eat in moderation. We then chose our favourite fruits and made a lovely fruit salad. This week we have had a visit from PC Wicks, learning about all the different things that the police do. He brought us lots of uniforms to try on and let us sit in his police car!

Wrens have been continuing to write about Pinocchio's journey and are excited to see what happens when he visits the Land of Lost Toys... In maths, we have been continuing to learn about shapes and how to recognise a range of 2D and 3D shapes. We have also been enjoying our Marvellous Me topic, sharing our brilliant finished homework collages with the rest of the school!

Skylarks have been decoding messages that the children have written in Anglo-Saxon runes. We have had a visit from Dr Hoggett to talk to us about Anglo-Saxons and Vikings today. We have also been looking at addition and subtraction, in particular, using the column method for our calculations. In science we have started to design a boardgame where magnets are used.

Swifts thoroughly enjoyed our trip to Cromer. We found lots of litter during our beach clean and we enjoyed the museum and the gift shop! We have found out lots about the Cromer Shoal Chalk beds in our topic. We have finished our 'plastic pollution' persuasive speeches this week and created some lovely 'under the sea' artwork. We have been working on multiplication, multiples and factors in Maths. We enjoyed some orienteering in the playground too!

Dates for your diary

- 22-30 Oct '22 – Half Term
- Mon 31 Oct '22 – School Photographs
- 1 & 3 Nov '22 – Parent's Evening
- 11 Nov '22 – Flu Vaccinations
