We are having a great term!

## DATES TO REMEMBER

- 17 May – National Numeracy Day (Skylarks parents invited to the classroom 2pm)
- 17 May – Buddhist Centre to visit Skylarks & Swifts
- 18 May – Guide Dogs Assembly (School Council Charity)
- 24 May – Buddhist Centre to visit Robins & Wrens
- 26 May – Pyjama Day for a voluntary £1 towards the School Council charity
- 29 May – 2 June – Half Term

LOOK what we're  
LEARNING!

**Robins** have been busy with their mini-beast topic. We have learnt lots about how important worms and bees are. In Maths we have been learning how to add 2 numbers together. We have enjoyed having year 5 in to support us with phonics and our writing this week!

**Swifts** A very busy week for Year 6 - we are super proud of them for working so hard and approaching the SATs tests with great determination. In Topic, we have carried on with our work on The Victorians by finding out about inventors and inventions and also looked at the work of the artist William Morris. In science the children have been busy propagating plants and dissecting eggs. We have also seen some super homework about The Coronation this week, so well done to all who put effort into that!

**Wrens** have had another very busy and exciting two weeks! We were very lucky and had a parent come in to do some oceans artwork with us, based on our class topic. It was lovely to see the children being so creative and produce some wonderful pieces of art. In maths the children have been learning about pictograms and block diagrams and how we can record and use information to answer different questions. We have started to have some homework tasks come in of some amazing wanted pirate posters. Our display board is starting to fill up now and we have some fierce looking pirates! Plus, we had a great afternoon last Friday learning about the King and the coronation and we designed some fancy looking crowns. Well done Wrens!

**Skylarks** have had a busy couple of weeks. We are continuing to enjoy our reading book The Girl Who Stole an Elephant and it just keeps getting more interesting! We had a blast in Science looking at different materials and how well they insulate sound. In maths we measured the capacity of certain containers. The children produced lots of great homework on King Charles!

## Diary Dates

**The highlighted dates are new/amended dates**
