LOOK what we're  
LEARNING!

**Robins** have continued their mini beast topic by looking at butterflies and snails. Our class butterflies emerged from their chrysalis just in time! In maths we have focused on symmetry and taking away. This week we went to Forest School and helped to make a giant bug hotel. We were also very lucky to have a visit from a Buddhist Nun and learnt lots about Buddhism.

**Wrens** have been enjoying learning all things pirate! As well as making pirate biscuits, designing flags and maps, they created some amazing posters, which look fantastic on our display board! The year 2 children worked incredibly hard on their SATs with the support of their year 1 classmates, we are so proud of you all Wrens, well done!

**Skylarks** have had a busy couple of weeks! It was wonderful to have parents visit our classroom on National Numeracy Day and showing everyone their maths skills in different ways. The children designed their own musical instruments which they will be creating over the break with recycled materials. We also created some beautiful art inspired by Henry Rousseau.

**Swifts** have made some moving toys using cams in DT. This was inspired by our book Cogheart which we are enjoying very much. In literacy are focussing on poetry, and Victorian poets in particular. The children had fun performing The Jabberwocky by Lewis Carroll - some now know it off by heart! In maths we have been looking at decimals again and lots of the children have been doing some fabulous problem solving.

## Diary Dates

**The highlighted dates are new/amended dates**
